

Date: 6 April, 2016

Student Fellowship for MEET BdREN Workshop 2016

It is to notify for all the Postgraduate Students (Masters and Ph. D) of *Department of Computer Science and Engineering (CSE)* and *Electrical and Electronics Engineering (EEE)* that A **Student Fellowship Program** is offering opportunities to interested applicants to attend the MEET BdREN 2016 workshop which is going to be held at Nabab Nawab Ali Chowdhury Senate Bhaban, University of Dhaka on 18 and 19 April, 2016. For more details about the program, Please see the information amended below and visit www.meetbdren.org.

Dr. Md. Obaidur Rahman
Associate Professor, Department of CSE
&
Deputy Sub-project Manager (DSPM)
DUET Campus Network Sub-project
DUET, Gazipur.

Overview

This is the first time BdREN is offering fellowship for providing financial support for individuals from universities to attend the Meet BdREN 2016. The purpose of the Fellowship Program is to provide opportunities to come to the national REN annual event. The human networking is extremely important with growing the Internet across the region, with the 'Meet-BdREN' Fellows gaining valuable opportunities to meet Internet network professionals from all around the world. This is an addition to the technologies and skills learnt or enhanced during different sessions of the Workshops. The Fellowship Committee will conduct ongoing evaluations of the applicants and make their selections based on certain criteria including applicant experience and applicant's desire to continue to participate in Meet BdREN workshop.

Fellowship Package

Applicants selected for the **Meet BdREN 2016** Fellowship program will receive:
